

Discipline	Computer science and computer technology code: 17 3 semester – /winter /		
Specialty	NAVAL ARCHITECTURE and MARINE TECHNOLOGY		
ECTS credits: 6	Form of assessment: CONTINUOUS ASSESSMENT		
Lecturer	Assoc. prof. D. Mincheva Room 209 M Phone: +359 52383302 E-mail: dmincheva@tu-varna.bg		
Department	Materials science and technology		
Faculty	Mechanical engineering and technology		
Learning objectives: Main purpose is to provide knowledge about contemporary computer systems and computer technologies.			
CONTENTS:			
	Training Area	Hours lectures	Hours lab exercises
	Introduction to informatics	2	-
	Integrated working environment	2	2
	Text processing	4	4
	Spreadsheets and charts. EXCEL Software product	3	4
	EXCEL – operations with table elements, entering data and calculations in spreadsheets	-	8
	Presentation programs	2	4
	Social communication and information technologies. INTERNET	2	4
	Control Test 1 and Control Test 2	-	4
	TOTAL: 45 h	15	30
