<p>Learning objectives:</p> <p>At this stage, students continue to acquire specialized topical vocabulary. The topics of the lessons included in the seminars are related to their chosen field. They build up their vocabulary knowledge and become acquainted with even more elaborate constructions and features of scientific texts. Their fluency of English becomes more prominent.</p> <p>At the end of this English for Specific Purposes course, students are able to read and translate authentic foreign texts. They should be able to follow the novelties in their field, as well as to express their own ideas both in verbal and written form.</p>
