<p>Learning objectives:</p> <p>The academic discipline “English Language for Social Management- Part I” is a general English course, which is based on the Middle School and High School knowledge of students. It is designed to raise students’ competency of English grammatical structures and comprises revision of the main morphological and syntactical structures of the language. This seminar course is intended to enable students to use these structures when they express themselves in English.</p> <p>At the end, students should recognize various grammatical structures as such and use them without difficulties when speaking or creating written texts.</p>			
CONTENTS:			
	Training Area	Hours lectures	Hours seminar exercises
	The course is designed to make students revise the main grammatical structures that are common to scientific texts and formal speech. It also aims to enhance their knowledge of the various constructions and their use in practice.	0	30
